Our 6th Annual Summer Concert Series featuring seven performances by a variety of musical talent begins June 11, 2024, during Taste of the Town.

Mark your calendar and bring your family and friends out for concerts in the Memorial Park Amphitheater.

The amphitheater was built to give the Coldwater community a venue for the performing arts. This 1,600 square-foot pavilion-style stage is located in the park's northeast section, between the gazebo and shelter house # 3.
